Subject: Honolulu Meetings

Hi Ray and Ted –

Checking on your schedule for next week in Honolulu. I know you will be spending April 8th with us; briefing in the am and field trip in the pm. Do you have any other time available if the April 8th briefing does not provide the planning staff with enough time to speak with you? Also, are there any specific issues that you would like us to brief you on? Any places that you would like to see during the field trip?

One of the topics that I would like to briefly talk to you about is your review of the administrative draft EIS. Our current schedule has it going to you on July 9th, with your review being completed on August 21st. In order to facilitate your review, we would like to schedule a briefing with you. Recognizing that this will be during the summer and people usually have vacation plans, we would like to schedule this early. Would you like us to brief you when we deliver the draft, or give you a few weeks before we brief you? Also, how should we coordinate with Joe Ossi? Please let me know.

Looking forward to seeing you in Honolulu next week.
