Match 5 is not a problem, - I'll call you today. I wanted to talk to you about the technology decision.

Toru,  
I seem to be having trouble tracking the date of this – is May 5 the right date? I had it on March 5. May 5 works fine as well at 12:30. I'll call you today.

Ron,

We received a request from Councilmembers for the meeting time of 12:30 in your office on May 5. Both CM Nestor Garcia and Todd Apo will be there after their meeting with the members of Congress at 11:30. I will try to get more specificity of the discussion topics but they are simply saying "some technical issues with regards to FTA's process vis-a-vis the Honolulu mass transit project."
