Thanks Sherry. One problem....I'm not in the office today so it's going to be tough for me to track down Peter regarding the call with the Mayor. Rich, Sonia, and Ryan .....can one of you please check with Peter to see if he wants to call the mayor before I send this to the Hill? I'll have the e-mail all lined up to send but will await word back from one of you w/ word from Peter.  
Thanks!

Kate

Kate

Here is the 10-day notice to the Hill for the Honolulu PE approval. Before you forward it to the Hill today, please check with Peter to see if he wants to call the Mayor before you send it or if you should go ahead and send it before he makes that call.

Thanks,

Sherry Riklin
