Re: Section 106 PA Meeting Reminder

Suggested changes to Section V.A -

The City shall consult with NPS Regional HABS HAER HALS staff to determine which resources should be documented for HHH recordation. All required HHH archival black and white photography will be completed, submitted to NPS Regional staff for approval and approval received by NPS regional staff prior to any pre-construction or construction activities to the resources. The City shall submit all requisite final draft copies by (THIS IS WHERE YOU COULD INCLUDE A DEADLINE IF PARTIES WOULD LIKE).

I removed the statement t about offering a copy to SHPD, because - two archival copies are sent to NPS in the final submission; once we have reviewed and accepted the documentation, we forward the second archival copy to the SHPO.
