

The following language includes the lists of resources originally identified in consultation with SHPD. Other changes have been made to the stipulations responding to input, so I am providing these only as a starter list, see the most recent PA for other language in each stipulation. I did not include the list from the HABS/HALS clause, based on the NPS comments on process for that determination.

#### **IV. Historic Context Studies**

- A) The City shall complete three Historic Context Studies related to relevant historic themes within the Area of Potential Effects (APE). This type of study assists in documenting the history of the affected area and may be used by others in developing NRHP nominations for historic resources in the area. The Historic Context Studies to be completed include **Modern Architecture in Honolulu/O'ahu**; **the History of Honolulu's Infrastructure** (i.e., highways, bridges, pumping stations, power stations, etc.); and the **History of Honolulu's Civic Architecture** (i.e., fire halls, libraries, city halls, courthouses, parks, etc.). Generally, research will focus on resources within the APE but similar resources outside the APE may also be included to provide a more complete study of the topic. All historic research shall be conducted by historians or architectural historians who meet the Secretary of the Interior's Professional Qualification Standards. Historic Context Studies shall consist of a historical narrative supplemented by relevant photographs, maps, and other materials. Copies of this documentation shall be distributed to select, established local Hawai'i repositories, including the SHPD office, libraries, historical organizations, universities, and government agencies. Professional photographs will be used to illustrate these documents.

#### **V. National Register of Historic Places Nominations**

- A) The City shall complete a **NRHP Multiple Property Submission (MPS)**, including all appropriate accompanying documentation such as photographs and mapping, for five resources related to **Honolulu's Modern Architecture**. These resources will be selected by the City in consultation with the SHPD from the pool of NRHP-eligible properties within the project's APE or vicinity. The MPS allows for an intensive level of documentation, while also permitting other historic resources within the Modern Architecture theme to be added to the National Register of Historic Places in the future by other
- B) The City shall complete NRHP nominations, with all appropriate accompanying documentation such as photographs and mapping, for ten additional properties that were determined NRHP-eligible but have not been formally listed, and that are not among the resources included in the Multiple Property Submissions required by Stipulation V.A. These properties shall include the **O'ahu Railway & Land Company Terminal Building and associated buildings, Forty-Niner Saimin, Aiea Cemetery (Honolulu Plantation Cemetery), Ten Courtyard Houses, the Tong Fat Building and associated buildings, West Oahu Christian Church (former American Security Bank), Sumida Watercress Farm, Hawaii Employers Council, Pier 10/11, and the Hawaiian Life Building.**
