Subject: Example of a preservation fund stipulation
Attachments: ks.fhwa.amelia earhart memorial bridge project.moa.19 july 2007.pdf

All:

To follow up on the 9.11.09 Honolulu High-Capacity Transit Corridor teleconference, I wanted to provide one example of a Section 106 agreement that included a preservation fund as a mitigation measure. While the undertaking was of a significantly smaller scale than the Honolulu project, how the stipulation is written may be useful.

Best regards,
Blythe
