Thanks Ray. I think the call was very informational for the Governor.

Hi Brennon,

Today's call had a lot of discussion around New Starts and activities, so I thought I would send you a set of our latest New Starts rules. Note page 5, which identifies what can occur after the ROD. Keep in mind that the terms "pre-award authority" or "LONP" have a similar meaning in that they define what activities FTA has determined would be eligible for reimbursement in a grant.

Ray
