Honolulu Rail Transit Project Safety and Security Oversight and Review Committee (SSORC) Meeting #11 will be held on:

**Thursday, January 28, 2010 - 1:30 pm**  
**Ali'i Place, 1099 Alakea Street, 17<sup>th</sup> floor**  
**Large Conference Room**

Attached you will find the minutes from our last meeting held on November 19th and the draft agenda for SSORC Meeting #11. Please review the minutes and forward me any comments.

The Honolulu Rail Project Sensitive Security Information (SSI) Program Briefing will be given during this meeting. Completion of this briefing and the Non-Disclosure Agreement is required for SSORC members to access Project documents designated as SSI. A current example of SSI for the Honolulu Rail Project is the Security Threat and Vulnerability Analysis. The FTA's guidance document for SSI as it pertains to Transit Agencies is attached.

Your attendance and inputs are key to the success of the SSORC. Thanks in advance for your participation.
