**Attachments:** PE Road Map HI project ver2.xls

Suggest to have this roadmap in front of us when we talk next Thursday, and also suggest we hold up sharing it with our grantee until after we talk next Thursday. Another week with out it wont hurt them. Also note that Ted and Cathy are generating a brief "status" sheet of all the outstanding issues and thoughts that exists today for your information, and better prep you for the call next Thursday.

**Subject:** RE:Second DRAFT road map for PE HI- airport alignment.

To ALL;  
Attached please find a second draft which incorporates all comments.

Please let me know if the draft is acceptable for distribution to All including HI project team.

Thanks  
Cathy Luu
