How would March 4 at 9:00 a.m. (or another time) work for everybody?

I will invite you all to our offices in Alii Place (1099 Alakea, 17th Floor), or we are happy to come to the NPS offices (Federal Building I presume).

Mr. Spurgeon,
I saw that Frank is available next week, does that work with your schedule?
I am available this week or next. It would be good to have Frank there.

Honolulu High Capacity Transit
Corridor Project

Misters Hayes and Lentz,
We are in the process of reviewing and addressing agency concerns received on the Honolulu High-Capacity Transit Corridor Project. We will be meeting with Jonathan Jarvis and Elaine Jackson-Retondo in Oakland on March 9, but I wanted to take an opportunity to discuss the concerns of the local office prior to that meeting if possible.

Would you be available on the 26th or 27th of February and would you be interested in meeting with the transit team? We would be happy either to come to your offices or invite you to our office at 1099 Alakea Street, 17th Floor.
