Subject: Honolulu Spot Report - Response to City's Comments

Kim – Attached for your review and distribution are our proposed responses to the City of Honolulu's comments from a review of the FINAL DRAFT Spot Report dated December 2008. We are available to discuss these responses if necessary.

It should be noted that we are still reviewing the memo that was prepared for the City by Transport Consulting Limited dated January 20, 2009 regarding the transit capacity analysis. This memo introduces several new assumptions that were not made available to us initially. One logical outcome is for the City to prepare and submit an amended and complete service plan for us to review.

Thank you,
Timothy L. Mantych, P.E. (MO, IL)
