Hi Faith,

I am a bit mystified as to why we would meet for a better part of one-day. Please send a proposed agenda before you commit to your reservations.

Thank you,

Ray

Hi Ted and Ray –

During our last conference call, we discussed meeting with you in San Francisco on Monday, March 9th. Jim Barr related that he would be available by phone. We anticipate that the meeting would not take more than one-day, but the better part of that one-day. Prior to the meeting, we will provide you with an agenda for the meeting; an agenda that considers Jim Barr's involvement and the time zone difference.

The reason for this message is to confirm that you are available to meet with the Honolulu team on Monday, March 9th. We can then proceed to make flight/hotel reservations. Thanks.
