Subject: Honolulu High-Capacity Transit Corridor Project Meeting RE: Effects to Historic Resources

Thank you every one who participated yesterday. The project team will be going back and doing our homework on several resources and issues raised during yesterday's meeting. To not loose momentum, we have tentatively scheduled a follow-up meeting for January 14 at 9:00 a.m. Hawaii, 11:00 Pacific. The week of January 5, I will distribute updated materials. If anybody has specific resources that they would like for me to place on the agenda, please let me know.
