Faith,
Ken is currently attending a workshop and has asked me to help him work on the HDOT comments for the HHCTC DEIS. He noticed that the attachment you sent yesterday included 9 HDOT comments. I have attached what should have been his original submittal to you back in September. He is wondering if there are any responses to the other 37 HDOT comments that were not included in your attachment.

Thank you,
Jill Yamanouchi

Hi Ken –

Attached is the matrix of your comments on the ADEIS and our response to your comments. We did not address the coordination comments. As the project progresses, we will need to continue coordinating with Harbors Division and ATDC. Please contact me if you need anything else.

Thanks.

Faith

Faith,

Here is the matrix for the EIS comments. We did not address the coordination comments, I believe that is an RTD decision.
