Subject: Honolulu High-Capacity Transit Corridor Project

Hi Kaleo –

Hope you had a great Thanksgiving.

Here it is almost December 1st and I am only now getting in touch with you. I need your help to set up a meeting with the OIBC subcommittee for our project as soon as possible. What would be the best way to do this? Should I call Dr. Kehau Abad first because she is the chairperson? Or do we just work it through you to get a convenient time for the subcommittee to meet? We will accommodate any time that is convenient for the subcommittee. Any guidance that you can provide will be greatly appreciated.

Thanks.
