Harvey - We have submitted all but one of the DRAFT sections to FTA, including the cost risk and schedule risk sections. The one remaining section is minor. FTA has commented on most sections, and we have submitted REVISED DRAFTS. My understanding is that FTA management will review the REVISED DRAFTS before releasing them to the City as FINAL DRAFTS. Thus far, we have not received comments on those REVISED DRAFT sections.

The report will be over 200 pages when complete. I think it may take some time for the City to review. I was hoping to provide you with individual sections as FINAL DRAFTS, but I will have to see what direction I am given from FTA.

All said, a December meeting may not be possible, but that is FTA's decision.

Thanks
Tim

Aloha Tim:

Any word on when we might see some or all of your reports?

Any word if a follow-up meeting will be held sometime in December and where the meeting would be held?
