FW: Honolulu Transit PA

Please see attached comments FTA received from AIA Honolulu and written testimony on the Navy's request to become a signatory on the PA.

I would like to thank you for taking the time to put together detailed comments and suggestions on the PA and the Section 106 process. We are taking a hard look at all comments and plan to incorporate suggestions where we can and respond to other comments and suggestions in writing to you, the consulting parties. Once we assess the scope and breadth of the comments and changes that we would like to propose incorporating to the other signatories, we will be in touch on next steps.

Thank you.
