Thanks Paul. Two follow-ups, will comments be solicited on the entire FEIS or only the recent change in the airport route? Also can the ROD be issued without the governor's signature? Thanks again. Sean

Sean,

Look for an EPA Notice of Availability in the Federal Register, possibly this Friday. If it's published then, the comment period would end on July 26th, but it will tell you that. It will also tell you where the comments are to be sent.
