Brian,

Attached is a draft of a statement that the Administrator and I just spoke about on the phone a few minutes ago. He asked me to send it to you. It is likely that Hawaii Governor Linda Lingle will issue her financial analysis of the Honolulu Transit project this week as she leaves office next Monday, December 6. We expect that the Hawaii media will pulse the FTA or that FTA might want to issue a statement on its own once it has had the chance to review whatever the Governor's report might say. On behalf of the City, we would very much like to have FTA make a statement.

Thanks very much for you help Brian. Please feel free to call me should you have any questions; my number is below.
