Subject: Honolulu Rail Project - Teleconference

Hi Carl –

Please set up a teleconference for Monday, May 17th. We can accommodate your schedule, within reason. 5:00 a.m. Honolulu time would be a little difficult for us, but 7:30 a.m., 8:00 a.m. or 8:30 a.m. would be ok. Let me know when would be ok. We would especially like to speak with Liz about her comments.

Please let me know when the call will take place and what the call in number is. Also, if you know, who will be on the call.

Thanks so much for your help.
