Subject: Attachments for Honolulu meeting
Attachments: Comments on the administrative FEIS.docx; FAA comments on Admin FEIS 4-28-2010 Matrix (2).doc; FHWA comments on Review Draft FEIS 4-28-2010 Matrix.doc; HDOT-Airport comments on Admin FEIS 4-28-2010 Matrix.doc

All –

I am not sure if these went through earlier. These are the attachments I intended to send. I am revising the document “comments on the admin FEIS.doc” to reflect our conversation. The other attachments are comments made by cooperating agencies and the City’s responses addressing those comments. I received them last night from Faith, but have not reviewed them yet.

Ted, could you let us know if there are any red flags?

Thanks,

Liz
