Subject: Mayor's Visit on March 9

Aloha Leslie,

Thank you for calling me back the other day. As discussed, the Mayor is requesting to meet with you on March 9 at 10:00 or 10:30AM. He leaves SF in that afternoon. You thought that may conflict with the APTA meeting in DC. It seems the APTA is in the following week. Please let me know if you are available.

I also have another matter I would like to discuss. It's about the timing of another notice to proceed for Kiewit. I would appreciate it if you can call me at (808) 768-8344.
