Subject: Responses to Public Comments
Attachments: FEIS reviewcomments_Public_11222010_eaz.docx

Hello Faith,

Please see attached for the remainder of my comments on the responses to comments. I have asked a couple of other reviewers to take a look at specific sections of the matrices. I do not anticipate getting their comments back until the middle of next week. I do not anticipate their comments to be substantial.

I will send you comments on the agency matrix and the draft ROD early next week.

Happy Thanksgiving!

Thank you,

Liz
