Ted:

I've returned from a long-weekend vacation to find a voice-mail message left by Cliff Slater last Thursday. The purpose of his call was to enlist my help in getting someone to respond to his inquiries regarding the FEIS. He says he's been trying to contact you for some time.

Please give him a call.

Also, I've handed off this project to Robyn Sinuefield and will be henceforth forwarding calls/e-mails to the appropriate FTA contacts.

Aloha!!
