Hi Liz and Carl -

I had hoped to send you the matrices of the comments/responses on the Section 106 Programmatic Agreement so that you would have it when you get in. However, I am having a problem with my old personal computer. Therefore, I have asked Steve Hogan of PB Americas to forward the matrices to you. In order to get you something as soon as possible, I am sending these matrices that have not been fully reviewed by the City. I wanted you to get a sense of how we were intending to respond. I should be able to get you the completed version by end of day on Thursday.
