What I can do is print the PDF response files from the Appendix and just write my comments on them, PDF them again and forward them along to you Chris. Sound good?

Tricia,

I will ask and let you know. Do the best you can with commenting without the word file for now.

**Importance:** High

Liz,

We are missing another Word file related to the Kamehameha Schools. They retained both CBRE and Ultra Systems Environmental, submitted by Besty Lindsay. We don't have either as Word files. I'm not sure if it's possible to obtain them before COB today, but I at least wanted you to know that KS submitted three comments and we only have one comment as a Word file.

Liz,

There appears to be two response comments related to the Kamehameha Schools, but we only have one of them as a Word document. We have the response comment to Kirk Belsby, but we do not have one to Thomas Jivorsky from CBRE Ellis (acting as a consultant to Kamehameha Schools).

Can we get a copy of the response to Thomas Jivorsky in Word format?? Thank you,

Tricia
