We don't have a determined timeline just yet, do we?

Now that I am rereading this passage, I want to suggest a tweak to recognize that we are allowing a brief opportunity for consulting parties to ask questions on the PA.

FTA is reviewing the comments and responses to the FEIS provided by the City and County of Honolulu and is responding to final questions and comments on the Programmatic Agreement. A Record of Decision can be issued after the review is complete and the Programmatic Agreement as described in the FEIS is signed

Thanks, Sherry. I agree that the passage (below) should be shared with the Administrator. Carl

Hi Paul

Aloha, Hawaii Gov. Neil Abercrombie has accepted the Final EIS for the Honolulu rail project. Can we clarify what next steps will be and a timeline as it relates to FTA record-of-decision process?
