Good afternoon,

As we mentioned in the email the other day to the consulting parties, FTA thanks you for input and patience with the development of the Honolulu Transit PA.

Please find attached the final version of the PA for you to share with your supervisors.  
The attachments to the PA may be found at:

Process for Signing

As we have expressed over the phone and previous emails, we are going to try to execute the agreement as quickly and efficiently as possible by obtaining the signatures from the signatories first and then the invited signatories. As of this time, the plan is to have everyone sign the same document. Faith Miyamoto from the City and County of Honolulu will be coordinating with the Navy and the SHPO in Honolulu to obtain signatures. Once, the PA contains the City's, the Navy's and the SHPO's signature, it will then go to FTA Region 9 for signature and then head to the ACHP for execution of the agreement. Once we receive the ACHP's signature, we will make a copy for ACHP's files and send the original document back to Region 9 to obtain the National Park Service's signature. The National Park Service is a very important invited signatory. After the agreement has all the signatures from the signatories and invited signatories, the agreement will be
