Jim, any last thoughts on process on this PA?

Once NPS okays SHPD to sign, would we share it with the consulting parties, do you think a last meeting would have any point? (we'll probably get the same issues raised). Do the consulting parties sign before the signatories?

thanks,

Ted

FYI. Does FTA intend to do what SHPD thinks should be done re: consulting parties?

NPS is reviewing the draft final at present. I think the concurring and consulted parties should also get a copy before we sign. It is a capital mistake to theorize before one has data.

Hi Pua and Nancy --

Heard from FTA that the final PA was sent to you, NPS and ACHP. Just confirming that NPS is reviewing the PA and that once NPS is ok with it (this will take a couple of weeks), then the PA will go to the SHPO for signature. I want to have an accurate picture of the steps that are involved in getting the PA executed. Please correct me if I am wrong.

Thanks.
