**Subject:** Re: COMMENTS ON THE DOCUMENTS AND THE CITY'S RESPONSE TO COMMENTS...

Thank, Carl. We'll talk in the morning. But I can tell you that all of the letter comments are not fair because none of the letters are new. FTA had the letters and our responses since last summer and we already went thru them with the FTA reviewers several times and we are getting more comments now? Please expect push back from us on the issues we thought were settled previously. We can't spend time creating new analysis at this stage.
