**Subject:** Honolulu Rail Project Section 106 PA Teleconference

Hi Ted –

The following is how we would like tomorrow's teleconference to go:

1. Past coordination (listing to be sent to all participants)
2. Stipulations suggested/disposition (listing to be sent to all participants)
3. FTA position (Can you respond that what is being offered in current PA is unprecedented? If you can't, please let me know before call.)
4. SHPD position (We would like SHPD to tell us what will make the PA ok for them to sign)
5. We are exploring the inclusion of a fund to mitigate the adverse effects of the project under Section 106, but do not want to discuss until after we hear SHPD position.

I am planning to be in the office by 8:00 a.m. tomorrow, so if you need to talk before the meeting, please call.

Faith
