Faith,

To follow up on our phone conversation and this email, I only received comments from the ACHP, NTHP, and HHF. To confirm, your consultants are preparing a comment/response matrix on these comments that FTA and the City can eventually share with the consulting parties. This matrix would also include the October 22, 2009 letter to Leslie Rogers from the National Trust and their comments provided in the PA text. This matrix will be prepared as quickly as possible.

Once this is prepared FTA and the City will have a discussion on next steps including whether to have a teleconference with the consulting parties. If we did have a teleconference, perhaps we can structure it as a web meeting to go over our responses to comments raised in the letters with the opportunity for participants to type in or email further questions through a web meeting program. Or we could decide to just have written consultation.

In the meantime, I plan to review the ROD and the responses to agency comments.

Talk to you soon!

Liz

Hi Liz –

We are reviewing the comments that we received from ACHP, NTHP and HHF. Did you receive any others?

I have asked our consultant to address the comments and to assess the impacts of the comments. We should discuss these comments soon. Please let me know when we can talk about the comments and the next steps.

Thanks.
