Hi Patty -

Thanks for returning my call.

I will also be out of the office on Monday and Tuesday of next week. I will be back in the office on Wednesday, July 8th.

We would like to meet with the Navy as soon as possible to resolve this matter. Should I arrange this meeting through Commander Aguayo?

Thanks again.

Faith

Faith,  
Attached is the advanced copy on the Navy's comment to the Historical Effects Report (HER) for the Honolulu High-Capacity Transit Corridor Project. Thank you for your patience and for allowing the Navy to comment. The original letter is being mailed out to Mr. Wayne Yoshioka, DTS Director, today.

Thank you and Very Respectfully,  
Patty
