Thanks for your email. SunPass Customers pay \$1.00/per direction for the use of the REL. Regarding HOV lanes, the Authority does not HOV lanes and customers do pay the same toll for the same number of passengers.

Pay-by-Plate customers pay the same amount as a "cash" customer \$1.25 and the toll is the same regardless of the number of passengers.

Let me know if I could be of further assistance. Maricelle

What Is the toll for the reversible expressway?

Your website indicates a toll of \$1.00 for Sun Pass users. Does the \$1.00 toll apply only to HOVs or do all vehicles pay the same toll regardless of the number of passengers?

Also, what is the toll for Pay-by-Plate? Is the Pay-by-Plate toll for all vehicles regardless of the number of passengers?
