Subject: Honolulu High-Capacity Transit Corridor Project

Hi Ray –

I am preparing to formally transmit the draft Notice of Intent for the subject project for FTA action. At this time, I thought it would be good for us to talk about whatever else we need to do at this time and in the near future. My feeling is that we would like to have a conference call involving the appropriate FTA HQ staff (Joe Ossi and whoever else) and FTA Region IX staff (you, Donna (if she is back), Ted Matley and whoever else), along with City staff and our consultant (PBQD). Is it ok for me to contact the FTA people named previously to coordinate this conference call or would it be more appropriate for you to do so? Please let me know what I should do.
