Leslie and everyone,

As noted in another email chain, I managed to conflate pending actions involving Honolulu (pending correspondence) and Houston (10 day PE notice to Congress). Ryan and Rich are with Peter in Boston today and tomorrow and might have further insights on the status of the letters. Otherwise we will discuss matters Monday. Thanks.

Hi Matt:

Thanks for your message. There is a quarterly review meeting and alignment tour scheduled in Honolulu for Tuesday & Wednesday, November 3-4 with Monday as the travel day. Since we believe it very beneficial that the letter be issued before our meeting next week, we'd like to receive Peter's concurrence by COB today so that I can sign the letter today. Alternately, DRA Ed Carranza will be in the office on Monday (11/2/09) to sign the letter in my absence and afterwards forward a scanned or faxed copy to the grantee.

I am unsure about your reference to the ten day notification as the PE approval letter was issued on October 18, 2009. Kindly let us know if there is additional information needed. Thanks!

Leslie

Peter said he would work to review the Honolulu package from Boston today. There will likely be outreach to Hawaii members of Congress in conjunction with the ten day notification. The notice will likely occur on Monday.

Please remind me, is there a quarterly or other Honolulu-FTA meeting on Tuesday? Thank you.

Matt
