**Subject:** Letter from state of HI  
**Attachments:** Letter on IMG Review of Financial Info for Honolulu 9-7-2010.pdf

Hi everyone,

Region 9 received the attached letter from the Director of Transportation with the State of Hawaii. They are requesting that FTA share financial and other technical information with the consultant (IMG) hired by the Governor's office to conduct an independent financial review of the Honolulu project.

**If you receive any requests (e.g., phone calls or emails from IMG or a State office) for information related to the project, please refer the person directly to me.** If I am out of the office, please refer the requestor to Beth Day.

This is a very sensitive subject and we are preparing a letter from S-1 to the Governor on this subject. We will share the letter with everyone as soon as it's finalized.

Thanks for your help,  
Robyn
