**Subject:** Visit to Honolulu

Aloha Toru-

I want to thank you for taking the time to meet with Jane Starke and me last Wednesday in Honolulu. We appreciated your hospitality during our visit, and we thought our discussions were very productive. You certainly have an exciting and challenging transit project, and we would be very interested in becoming a key member of your project team and helping to see the project through to successful funding, design, and construction. I also appreciate your setting up a meeting for us with Deputy Managing Director Saito.

Even with the rain, Jane and I took a beautiful drive in our rental car on Thursday and were able to see quite a bit of Oahu. We managed to get lost only a couple of times.

We will look forward to talking to you more directly about our possible role around the time you select a LPA. In the meantime, please keep in touch over the next few months as the alternative analysis progresses, and let us know how we might be of assistance.

Thanks, Kent
