Thank you, Liz for the info. I am unlikely to attend the meeting because it would be at the time for the final due for me. The Council mandated the due date for the AA is Nov. 1.

All

If you aren't submitting a presentation for consideration, perhaps you could put this on your calendars to attend. This has always been one of the best learning and sharing events in the country.

Liz

Special aMPO eMAIL Update

ASSOCIATION OF METROPOLITAN PLANNING ORGANIZATIONS
2006 ANNUAL CONFERENCE

CALL FOR PRESENTATIONS

2006 EVENT: Oct. 31st- Nov. 3rd ,2006
PROPOSALS DEADLINE: April 21, 2006
Fort Lauderdale Grand Hotel & Yacht Club
1881 SE 17th Street
Fort Lauderdale, FL 33316

ABOUT: The AMPO Annual Conference is for MPO Executive Directors, technical staff, Policy Board Elected Officials, and those individuals or organizations (local, state, federal, consultants) that work with MPOs in some capacity.

SUBMISSION GUIDELINES: In addition to a brief summary/abstract of presentation, please include Title, Theme & Topic Area, Presenter, and Organization. Summaries/abstracts should be limited to one page. Actual presentations cannot be longer than 30 minutes. Please email summaries/abstracts to Nicole Waldheim at nwaldheim@ampo.org by April 21, 2006. Note: Presentations that market specific products and services will not be accepted.

DEADLINES:

Abstracts Due: April 21, 2006

AR00150856

Acceptance Notification: May 5, 2006
Confirmation of Participation: May 19, 2006

FOR BUDGETING PURPOSES:

Location: Fort Lauderdale Grand Hotel & Yacht Club, Fort Lauderdale, FL
Hotel Rates: \$169 Single/Double, \$179 Triple, \$189 Quad
Early Conference Registration Rate: \$395 AMPO Member, \$450 Nonmember

Note: All accepted presenters must register and pay the regular conference registration fee. Acceptance as a presenter does not register you for the conference - registration fees are required.

CONTACT:

For additional information or to submit an abstract, email Nicole Waldheim at nwaldheim@ampo.org or call 202-296-7051.

TOPICS: This year, the Annual Conference will focus on six themes, covering a number of topic areas. Although AMPO has identified the following themes as a means to structure the agenda for the 2006 conference, we will also accept proposals on topics that are not mentioned below.

THEME: SAFETEA-LU

Topics under this theme will examine the policies of the current transportation bill, new provisions, how MPOs are successfully dealing with the changes, and what's in store for the future.

Finance & Fiscal Constraint
Public Participation
Safety
Security
TEA-4
Air Quality
Congestion Management

THEME: Project Implementation

Topics under this theme will look at how to move projects from the visionary stage into the programming stage. Vision to action.

Long Range Plan Implementation
Performance Measures
Alternative Financing
Political Process
Public Participation
Agency Coordination

THEME: Age-Friendly Communities

Topics under this theme will examine the ways in which multimodal design affects everyone, especially the young, elderly, and disabled.

Safe Routes to School
Obesity and Active Living
Paratransit
Traffic Calming

THEME: Linking Land Use & Transportation

Topics under this theme will look at how metropolitan areas have been designed or re-structured to balance all modes of travel as well as economic vitality.

Scenario Planning
Walkable Communities
Eminent Domain
Corridor Visioning

THEME: Transit

Topics under this theme will look at the roles and relationships of transit in metropolitan regions.

Transit Oriented Development
Regional Transit Authorities
Agency Coordination
Best Practices
New Starts/Small Starts

THEME: Best Practices in Technical Planning and Analyses

Topics under this theme will examine the elements of running a seamless transportation system.

Regionalism

Operations and System Management

Travel Modeling

Freight
