Mr. Quintiliani,

Thank you for your phone call. I received an inquiry from Linda O'Day of your Government Affairs office earlier today for information on the transit corridor alignments and how they may relate to parcels owned by the Kamehameha Schools. It is my understanding that KS has property in the Kakaako/Ala Moana area, Dillingham and possibly other areas along the proposed routes. She noted that you are the person in charge of commercial properties for the Kamehameha Schools, and would like to meet on this.

By way of e-mail copy, I am linking you up with Mark Scheibe and Lawrence Spurgeon of Parsons Brinkerhoff, the lead consultants and project planners who may be able to assist you.

Mahalo once again for your interest in the Honolulu High Capacity Transit Corridor Project.

Aloha,

Pat Lee
