Dear FOIA Requestor:

Thank you for your email requesting documents for the Transportation Alternatives Analysis and Draft EIS.

1. There were no "proposals" received for this project. This project was based on a Request for Qualifications; therefore, Statement of Qualifications were received.
2. There is no "winning supplier. The Statements of Qualifications were submitted by consulting firms.

If these are the documents which you are requesting, please let us know.

Thank you.

Deanna Chang
