I plan to send an email to the SHPO and SHPD's office this afternoon. I am also considering forwarding the letter to the consulting parties and also providing the same message that we do not support the City's letter.

What would you think of calling Pua and letting her know that the City's letter does not bind us, Liz? Thanks. Carl

Hi, Carl...Per Toru Hamayasu, I'm emailing you a copy of a letter that we sent to Laura Thielen of the State Department of Land and Natural Resources. This was sent to her late yesterday afternoon.

A hard copy was sent to you this morning.

Thank you.
