Subject: RE: Chapter 5 Final Review by FTA

Amy,

Thank you for sending. I intended to complete my review of the other chapters of the EIS text this afternoon. I was assured by our computer support group that the problem of my work computer connecting home was fixed. Unfortunately, it was not. I am unable to connect to the network and the computer files I was working from. I will send you comments tomorrow morning.

Also, I will take a look at Chapter 5. Chris is in Vancouver and may not be able to review the chapter.

Liz
