Subject RE: Meeting with SHPD to discuss Mass Transit

Hi Everyone –

Originally we had wanted the meeting to be scheduled for Wednesday, February 8. However, when I spoke with Chris yesterday, he related that this was not a good day because of the Burial Council meeting. Therefore, I rescheduled the meeting to Tuesday, February 7, 10:00 a.m. at SHPD Kapolei Office. Please let me know if this will work with everyone who needs to attend meeting.

As I related to Chris, at this meeting, we would like to present our project and discuss the proposed approach to comply with Section 106 and the State Historic Preservation laws.

Thank you.

Dawn and Faith:

Our office has been contacted by both of you re: a meeting to discuss the mass transit project. Chris Monahan was contacted by Faith at the City's Dept. of Transportation Services and scheduled a meeting on Tuesday, Feb. 7; and Dawn notified Melanie that the meeting is scheduled for Feb. 8. Are these meetings the same?

If the meeting is scheduled on Feb. 8, Chris will not be able to attend because our Oahu Island Burial Council meeting is scheduled on that day.

Please clarify the date and I will let everyone know. Thanks.
