Subject: Projects subject to SAFETEA-LU Section 6002

There are four projects, so far, whose NOIs were published after SAFETEA-LU enactment and which are therefore subject to the new environmental procedures in Section 6002. I plan to schedule a conference call with the four regional offices involved to discuss the new requirements. They are:

Birmingham AL – In-Town Transit Partnership Project -- Region 4

Milwaukee WI – Kenosha-Racine-Milwaukee Commuter Rail – Region 5

Honolulu, HI -- Southern Corridor High Capacity Transit Improvements – Region 9

Portland, OR -- Columbia River Multimodal Crossing – Region 10
