Hi Faith,

Thank you for sending the PA. Under Stipulation IX, I believe the SHPO intended for her language to replace IX.D since she is primarily concerned about cumulative effects in the historic districts and not other places along the proposed alignment. I see that you added it as a new stipulation IX.E. Is there a reason why we may want to keep the original language?

Thank you,

Liz

Hi Liz -

Attached is the version of the PA that addresses your comments and comments made by the City and our consultants.

The City is on holiday tomorrow, but I will try to call you a little earlier than I did today to talk.

Thanks.

Faith
