Faith, can you address these comments on the attachments to the 106 PA?

On attachment 1, there is no distinction between the LPA (Airport) and the Salt Lake Alt. Please clearly label the Airport Alternative as the LPA or remove the Salt Lake Alt. from the map on Attachment 1. We need the clarification on Attachment 1 that the Airport Alternative, and it may be best if the Salt Lake Alt were entirely removed from Attachment 1.

Attachment 2 is ok.

Thanks.

Ted
