Dear Mr. Hamayasu:

Attached for your information is the above referenced Honolulu report from Booz Allen Hamilton, our Project Management Oversight Contractor (PMOC). Please inform us on your final selection of the fixed guideway vehicle technology when it becomes available. As we did last year, we tentatively plan to meet you and your staff in April, 2008 to discuss the current project progress/status at your office in Honolulu. We'll coordinate with you as our other plans on the islands evolve. If you have any questions or comments, please call Nadeem Tahir, our Director in the Office of Program Management & Oversight, at (415) 744-3113, or Cathy Luu, our Program Manager assigned to this project, at (415) 744-2730 or E-Mail Cathy at catherine.luu@fta.dot.gov.

Sincerely,

Edward Carranza, Jr.  
Deputy Regional Administrator,
