See the last paragraph in <http://www.neilabercrombie.com/index.php/main/more/1024/>
It sure sounds to me like he is going to ask for a supplemental that looks at alternatives to aerial.

Subject: FYI: Abercrombie Handily Defeats Hannemann in Hawaii Primary

According to media sources, former U.S. Rep. Neil Abercrombie tapped into a reservoir of support among traditional Democrats in his primary victory on Saturday but also did remarkably well in regions that often favor independents and conservatives. Abercrombie handily defeated former Honolulu Mayor Mufi Hannemann 60 percent to 38 percent statewide and took Oahu. Click on link below for details. Thanks!
