TPE staff will meet with Rep. Djou on the Honolulu project this week (Day TBD). This meeting is just to update everyone on where things stand. We would appreciate any Regional thoughts on the Congressman's position on the project. We are not certain about the subjects the Congressman will want to discuss; he has just asked for a briefing.

Jim, even though Robyn has taken over as Team Leader because the project is advancing toward Final Design, if you are able, please join the meeting.
